

4th Cross-border Skiogaining 10 – 11 January 2015 Olešnice v Orlických horách

The 4th Cross-border Skiogaining will be organized at the weekend on 10 – 11 January 2015 as a two-stage event. The event centre will be located in Olešnice v Orlických horách (Eagle Mountains). The race is suitable both for recreational sportsmen and for elite athletes, as the number and order of the visited control points is up to each team (go-as-you-please).

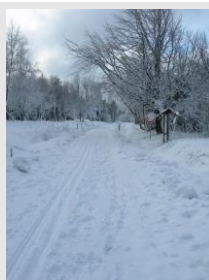

Each team consists of 2-5 members. Detailed map showing all event check points and all ski-tracks will be handed out at the registration desk. 1 hour before start of each stage you will receive check point descriptions with point values of all controls (each stage will have different descriptions) and you can plan whether you enjoy ski-tracks treated with a snow cat (suitable for both classical style and skating, marked in the map with thick orange line),

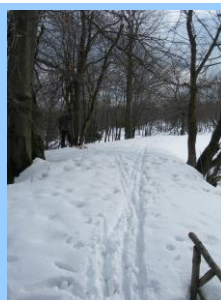

dual tracks prepared for classical style only (thick dashed orange line),

or tracks made by tourists (thin dashed orange line),

or alternatively use tracks trodden by organizer only (orange dots in the map).

Basic information
